The Surfrider Foundation created the Great Lakes Friendly Hotels program to respond to the plastic pollution crisis in our lakes and along our coasts. The goals of the program are to help hotels reduce single-use plastic waste, eliminate the use of expanded polystyrene foam and mini toiletry bottles, and support sustainable practices that protect the marine environment through improved conservation efforts. The larger we grow our network of Great Lakes Friendly leaders, the more mainstream the concept of plastic-free becomes.

What is a Great Lakes Friendly Hotel?

**GREAT LAKES
FRIENDLY
HOTELS**

We Are A Great Lakes Friendly Hotel
