

SAY NO TO OFFSHORE OIL DRILLING

STEP ONE

Follow the trim line and carefully cut out the oil rig.

STEP TWO

Hold the oil rig cutout up to your local coastal horizon line and snap a photo.

STEP THREE

Share it and use the hash tag #DRILLINGISKILLING and tag @SURFRIDER

Our nation's ocean, waves and beaches are vital recreational, economic and ecological treasures that will be polluted by an increase in offshore oil drilling. Join the Surfrider Foundation in opposing new offshore drilling today.
